- ❖ To help provide you with some direction as to what items you need for your stay at PMRC, we have developed a list of articles you will need, as well as articles we request you do not bring. We are looking forward meeting you and are glad you have chosen a path to recovery!

Items needed:

- Clothing. Please bring comfortable clothing, shoes, jackets, etc. You may want to bring one "nice" outfit to wear if you go out somewhere special or to church services. You do not need to bring a large amount of clothing, as we have laundry facilities. You do not need to bring towels or bedding.
- Toiletries. Please bring your shampoo, hair dryer, lotion, etc. Do not bring items that contain harmful chemicals or are extremely sharp. Try to keep the quantity small. We will be going on outings, and you can purchase needed items at the store.
- Finances. You can bring a small amount of cash, credit card, and check book if you wish. Money will be needed for purchasing personal items, etc. You will not need a large sum of spending money and visitors can bring additional funds or personal items if necessary.
- Other. You may want to bring stationery and postage stamps if you want to write letters to friends and family. (Postage stamps can also be purchased at the office.)
- Medications. Please bring all current prescribed medications.
- Please avoid bringing any expensive items or a large amount of any items.
